Beds are allocated to club members once payment has been received by the Memorial Hut Booking Officer

The Booking Officer will accept advanced bookings from non members but, as club members have priority booking rights, will not allocate these until closer to the occupancy date. The non members will be contacted 4 weeks before the due date of occupation and will then be allocated beds once payment is received. This will operate on a first in first serve basis.

Non members will become Guests of the Club for the period of occupation and must obey the rules of occupancy, carry out allocated duties, and follow instructions issued by the resident custodian/hut leader.

Special consideration will be given to large groups.
